

76EXP13

November 20, 2001

Debra Arnett
Steuben County Clerk
55 S. Public Square
Angola, IN. 46703

Dear Debra,

Thank you for choosing Mathes Solutions and LaserFiche document imaging. This document will outline terms, conditions and responsibilities of Mathes Solutions and Steuben County in order to successfully implement your LaserFiche document imaging solution.

Software

The Steuben County Clerk will be purchasing a networked LaserFiche system. This system will consist of:

1. One (1) scanning station and (4) retrieval/viewing licenses.
2. One (1) copy of PC Anywhere for remote system analysis
3. One (1) copy of Kofax Adrenaline. This software is the interface between the scanner and the LaserFiche document imaging software.
4. One (1) copy of a LaserFiche Snapshot Plug-in. This will allow the scanner to "electronically print" any document into LaserFiche that can be printed from a windows application.

Maintenance and Support

For all software listed above the Steuben County Clerk's office agrees to purchase a maintenance/support agreement. This entitles the Steuben County Clerk's office to any and all upgrades/updates at no additional charge as long as the maintenance agreement remains up to date.

Hardware

The Steuben County Clerk will also be purchasing hardware from Mathes Solutions:

1. Fujitsu 50 page per minute duplex scanner, model number M4097D - Specifications for this item are listed in detail on the proposal.
2. Dell Computer Tower - Specifications for this item are listed in detail on the proposal.

Installation, Configuration and Training

The Steuben County Clerk's office agrees to the professional services fees for installation, configuration and training that are outlined in the proposal for the Steuben County Clerk's office.

Terms and Conditions

The products detailed in this document will be ordered and delivered upon receipt of a signed purchase order from Steuben County. Installation and training dates will be determined once the order has been placed. Upon completion of installation of the hardware and software for the LaserFiche document imaging system, Mathes Solutions will present to the Steuben County Clerk's office an additional document for approval stating that the system is installed and configured correctly and that the end users are sufficiently trained to utilize the LaserFiche system. At that point, any additional requested on-site professional services from Mathes Solutions will be billed on an hourly basis. The rates for these professional services can vary from \$75 an hour to \$125 an hour depending on the nature of the professional services requested.

TOTAL SOLUTION CONTRACT PRICE

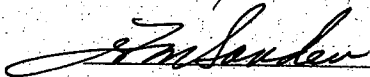

\$ 14,875.00

Dale Hughes, Jr., Steuben County Commissioner

Rodney J. Wells, Steuben County Commissioner
